

A Sweet Frindship

Established in 1994 in northwestern Iran, Nazari industrial group (PJS Co) has grown into a leading name in Iran's food industry.

With over three decades of innovation and progress, we take pride in delivering high-quality products that bring people together, embodying our philosophy of "A Sweet Friendship."

Operating across seven production units with over 3,000 professionals and our assorted departments as Manufacturing, Marketing, Distribution Quality Control, Supply Chain, R&D... we are committed to excellence and industry growth.

With 90+ variety of cakes, layer cakes, pan cakes, wafers, biscuits, strudels and cookies; we combine expertise with the potential of our country and global insights to create products that inspire joy.

In our combination with international markets, today, we are expanding further with a new production facility in Istanbul, Turkey to better serve our global customers.

Our reputation for taste, quality, and innovation is built on years of dedication. Through every bite, we continue to foster "**A Sweet Friendship**" with customers worldwide.

The background of the top half of the image features a bright yellow-orange gradient. On the left, a stylized yellow line-art illustration of the Eiffel Tower rises into the sky. In the center, a package of Nazari Croissant is shown, with the brand name 'Nazari' in Arabic and English, and 'Croissant' in large, bold, red-outlined letters. Below this, it says 'FILLING COCOA CREAM' and 'PASTRY LAYERED'. To the right of the package is a close-up of a golden-brown croissant, split open to reveal a thick, dark chocolate filling. A small circular logo on the croissant says 'COCOA CREAM' and 'COCOA CREAM FILLING'. The word 'Croissant' is written in large, white, bold letters with a blue outline, partially overlapping the package and the croissant. A chocolate splash is visible on the left side of the image.
